EXPERIENCE

Manager of User Experience - Kansas City Current

2024-Present

Design, build and manage the KC Current App, kansascitycurrent.com, cpkcstadium.com, kcgoldstandard.com (now kccurrent2026.com) and currentlanding.com. I also, was a contributor of launching hbkogewomen.dk. Manage one report, third-party agencies and cross departmental teams in launching new features and digital experiences. My KPI's include increasing app downloads and engagement, and generating revenue.

UX Designer - Propaganda 3

2023-2023

Led the end-to-end development of client websites, from initial site mapping and wireframing to final mockups and interactive prototypes. Implemented custom HTML, JavaScript, and CSS, populated site content, and conducted thorough quality assurance prior to launch. Collaborated with clients throughout the process and successfully deployed completed websites.

Technical Consultant - WellSky

2020-2022

Built out business intelligence dashboards for blood transfusion SaaS product to improve customer experience and engagement. Created data visualizations in QlikSense and Sisense.
